

Kotahitanga for Waimate Centennial School

Definition: Unity, togetherness, solidarity, collective action.

Vision Statement: Learning will be enhanced in flexible, collaborative environments where students are supported by quality teaching and whānau engagement to take responsibility for their learning.

Waimate Centennial School Strategic Plan 2019-21

Hauora and Manaakitanga at Centennial School

The New Zealand Curriculum guides our work starting with a vision of young people who will develop the competencies, to go on to realise their full potential and contribute positively to society.

The Waimate Centennial School community understand that by pursuing an Innovative Learning Environment across the school we are enhancing wellbeing and providing educational success for all students.
