## SCIENCE ROADSHOW

As has been previously mentioned the school visited this year's Science Roadshow at Waimate Main School on today, November 22<sup>nd</sup>. Throughout the day classrooms visited at different times of the day.

A visit to the **Science Roadshow** is a fun, exciting and interactive learning experience of science for children. It includes live shows and hands-on exhibits that broaden students' knowledge of science, technology, engineering and mathematics.

This proved to be an interesting and enjoyable "science" experience for the children. I am sure the children will have lots to talk about after their visit.

## SCHOOL SWIMMING

Classroom swimming/aquatics programmes are underway and classrooms aim to swim on a daily basis weather permitting. Please support the classroom teachers by ensuring your child/children bring their swimming gear each day. If for any reason your child is unable to go swimming, please send a note to the classroom teacher.

## SOUTH CANTERBURY A & P SHOW

The children have all been very busy organising entries for this year's South Canterbury A & P Show which is to be held this weekend.

A wide variety of entries have been put together by the children including paintings, art work using other media, handmade Christmas cards and a variety of other art and craft work. It will definitely be well worth a visit to see all the amazing creations the children have put together!

## WAIMATE CHRISTMAS PARADE - Saturday, December 7<sup>th</sup>.

Just a small reminder that the annual Waimate Christmas Parade is fast approaching and once again Waimate Centennial will be entering a float to show our support for an excellent community event run by a small group of hard working and dedicated members of Positive Waimate.

It is not too late to put your hand up if you would be keen to be involved in helping to organise this year's Waimate Centennial float. If this sounds like you, could you please contact the school office leaving your details and someone will be in touch with you very soon.

## WAIMATE PRIMARY SCHOOLS DISTRICT ATHLETICS MEETING

Following on from our recent school athletics meeting a group of 24 senior school children were selected to represent our school at the annual Waimate Primary Schools Athletics Meeting. The success of their level of competition can be gauged on the large number of certificates individuals gained throughout the day. Certificates will be presented at next Fridays school assembly. An extremely successful event for the Waimate Centennial School competitors with a high level of determination and a positive attitude being displayed by our children.

Five children have now been selected to compete at the South Canterbury Athletics Meeting to be held in early December. A huge congratulation goes out to Paige Constable, Henry Lucas, Oliver Pankhurst, Pat Huwes and Briar Craig. Well done to you all! This always proves a challenging and rewarding experience for the children who take part and we wish them all the best.

## END OF YEAR PRIZE GIVING

As is the practice at Waimate Centennial we will be holding our end of year prize giving on Tuesday, December 10<sup>th</sup> at the Waimate High School Hall. This event will start at 6pm and it is always a super way to not only acknowledge some excellent achievements by children from our school, but it is also an opportunity to come together as a school community to celebrate our 2019 school year.

Children are to wear their school uniforms please.
